

My Smart Toilet Seat

nt smart toilet (Multifunctional Series)

MSB-ESE02-R

- Warm air drying
- Seat induction
- Silent damping slow down
- Seat heating
- Instant water heating
- LCD seat and water temp display
- IPX4 Waterproof
- Female cleaning
- Buttocks washing
- Mobile cleaning
- Antibacterial seat
- Antibacterial self-cleaning nozzle
- Remote control
- Automatic mode
- LED warm night light
- Leakage protector
- Humanized operation panel
- 4-level water pressure control
- 4-level flushing temperature adjustment
- 4-level drying temperature adjustment
- 4-level sitting temperature adjustment

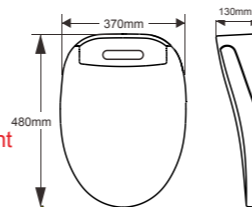

Specification

Item No.	L-MS403-L	Warm air drying temperature adjustment	4-level (room - 55 C)
Butt wash water	0.5-0.8L/min	Seat heating temperature adjustment	4-level (room - 40 C)
Female cleaning water	0.5-0.8L/min	Seat ring switch structure	Silent damping slow down
Heating mode	Instant heating	Feed water pressure	0.08Mpa-0.8Mpa
Flushing temperature	4-level (room - 40 C)	Diaphragm Booster Pump with Adaptor	110V/220V, 50/60Hz
Warm air drying speed	4m/s-7m/s	Product size	510x370x130mm
Safety devices	Temperature switch, Temperature fuse, Seat induction, Water overpressure protection, Leakage protector		

MSB-ESR02-R

- Warm air drying
- Seat induction
- Silent damping slow down
- Seat heating
- Instant water heating
- LCD seat and water temp display
- IPX4 Waterproof
- Female cleaning
- Buttocks washing
- Mobile cleaning
- Antibacterial seat
- Antibacterial self-cleaning nozzle
- Remote control
- Automatic mode
- LED warm night light
- Leakage protector
- Humanized operation panel
- 4-level water pressure control
- 4-level flushing temperature adjustment
- 4-level drying temperature adjustment
- 4-level sitting temperature adjustment

Specification

Item No.	L-MS403-S	Warm air drying temperature adjustment	4-level (room - 55 C)
Butt wash water	0.5-0.8L/min	Seat heating temperature adjustment	4-level (room - 40 C)
Female cleaning water	0.5-0.8L/min	Seat ring switch structure	Silent damping slow down
Heating mode	Instant heating	Feed water pressure	0.08Mpa-0.8Mpa
Flushing temperature	4-level (room - 40 C)	Diaphragm Booster Pump with Adaptor	110V/220V, 50/60Hz
Warm air drying speed	4m/s-7m/s	Product size	480x370x130mm
Safety devices	Temperature switch, Temperature fuse, Seat induction, Water overpressure protection, Leakage protector		

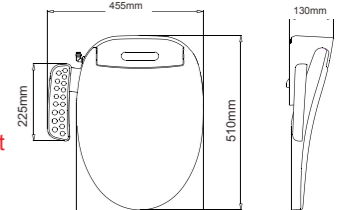

My Smart Toilet Seat

nt smart toilet (Multifunctional Series)

MSB-ESE03-P

- Warm air drying
- Seat induction
- Silent damping slow down
- Seat heating
- Instant water heating
- LCD seat and water temp display
- IPX4 Waterproof
- Female cleaning
- Buttocks washing
- Mobile cleaning
- Antibacterial seat
- LED warm night light
- Children's washing
- Automatic mode
- Antibacterial self-cleaning nozzle
- Leakage protector
- Humanized operation panel
- 4-level water pressure control
- 4-level flushing temperature adjustment
- 4-level drying temperature adjustment
- 4-level sitting temperature adjustment

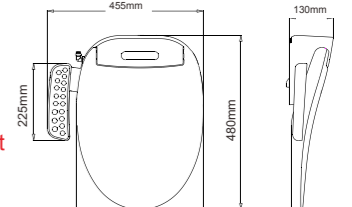

Specification

Item No.	L-MS406-L	Warm air drying temperature adjustment	4-level (room - 55 C)
Butt wash water	0.5-0.8L/min	Seat heating temperature adjustment	4-level (room - 40 C)
Female cleaning water	0.5-0.8L/min	Seat ring switch structure	Silent damping slow down
Heating mode	Instant heating	Feed water pressure	0.08Mpa-0.8Mpa
Flushing temperature	4-level (room - 40 C)	Diaphragm Booster Pump with Adaptor	110V/220V, 50/60Hz
Warm air drying speed	4m/s-7m/s	Product size	510x455x130mm
Safety devices	Temperature switch, Temperature fuse, Seat induction, Water overpressure protection, Leakage protector		

MSB-ESR03-P
